

USATF Registration Instructions

If your child was a 2018 Wings of Moon track team member, he/she is already a member of USATF so you do not have to register for USATF.

If your child is **NOT** a 2018 Wings of Moon track team member, you must register your child for USATF (instructions below) and you must do this **BEFORE** your first practice. The USATF fee for youths age 18 and under is \$20.

How to register your child for USA Track & Field

Go to: <http://www.usatf.org/Products---Services/Individual-Memberships.aspx%20>

Click: For Individual Members.

Follow the instructions. The USATF payment system has been down, so please call the number listed between 8:30 and 5:00 EST to register your child.

You will need your child's name, birth date, address, your e-mail address, **our club number (0184)** and a MasterCard, Visa or Discover credit card,

You will receive your child's USATF number via e-mail a couple minutes after you sign up. You will need that number for your Wings of Moon team registration (2018 CC WOM Reg Form.pdf) which must be completed for the first practice.

E-mail a scan or photo of your child's birth certificate to the Three Rivers Membership Chair membership@threerivers.usatf.org. Make sure the scan/photo of the birth certificate is clear and easy to read. Include your child's USATF number in the e-mail. Our association verifies birth dates before competition.

Thank you in advance for following these instructions. This helps us in our preparations for the season.

Our Association: Three Rivers (11)

Our Club: Wings of Moon (0184)
